

REPORT OF COUNSELLING PROGRAMME ORGANISED BY CELL FOR INNOVATION & BEST PRACTICES,MDKG COLLEGE

The Cell for Innovation and Best Practices organised a Students' Counselling programme on 7/10/2021 as a part of the criterion VII, Institutional Values and Best Practices activity. Sri Jyotirmoy Hazarika, a senior Journalist with PTI, who also has the credit of being a Students' counsellor and an educationist acted as the resource person in the said event. Mr. Dipak Borah, Assistant Professor, Bosco B.Ed College enlightened the students as the second resource person. Dr. Nibedita Phukan, Principal, MDKG GIRLS' COLLEGE inaugurated the session with her thought provoking speech about need of developing soft skills among the students in the contemporary period and said that students need to be equipped with all academic and personality related traits in order to sustain in this era of competition. She also highlighted the importance of career counselling and choosing the right path in life. The resource persons were introduced by Dr Ashwini Machey, Assistant Professor, Department of Economics, MDK Girls College. Both the resource persons delivered well researched and in-depth analysis in their area of expertise and could keep the students engrossed for nearly three hours. Total 110 number of enthusiastic students attended the counselling programme and actively participated by putting questions and remarks. The programme was moderated by Dr. Anita Sharma, Assistant Professor, Department of Political Science and the coordinator of the Cell for Innovation and Best Practices, MDKG College. At the end of the programme, an interactive session among the counsellors and students took place filled by the vote of thanks.
