

Profile of Education Department

1. About the Department:

The Department was established in the year 1963. From the beginning till the present date, the department has been rendering teaching both for higher secondary and Under – Graduate courses. The Department has witnessed consistent improvement in the performances of its academic and placement records. The syllabus are modified and updated from time to time to meet the demands of the changing situation and to meet the requirement of the students. The students are also encouraged to get hands on experience to develop their skills of teaching through practice teaching. They also undertake projects relating to the concerned subject which also help them to understand and realize the value of teamwork. The teachers also encourage them to take active participation in different extracurricular activities and to get religiously involved in whatever they do for the good of the society and themselves.

2. Vision of the Department:

- Our vision is to support, nurture and encourage the students to be independent by providing quality education so that they develop a sense of responsibility for themselves and also for others.

3. Mission of the Department:

- To provide quality education and an understanding of the needs of the society.
- To enhance access and equity in higher education
- To provide students with suitable knowledge, skills and values to face with the challenges of the present world.

4. Message from the HOD:

Welcome to the Department of Education. The Department was established in the year 1963 with some of our eminent teachers. Currently the department has 4 faculty members rendering teaching both for higher secondary and Under – Graduate courses. Over the years the Department has made a remarkable mark in terms of results of the examinations. I am sure in times to time, many more students from the Department will continue to perform remarkably. Our Department is comprised of hard working students, talented faculty members

whose wisdom and expertise are the essential part to disseminate new knowledge to our students. Besides teaching the teachers also help the students to empower them, build their confidence, and make them self reliant. They are encouraged to face challenges of their lives in a very positive way. Faculty from time to time upgrades their academic skills by participating in FDP, Workshops, Conferences and Seminars. I congratulate the faculty and students for the excellent performance.
